

# March 19 - Betheme support

Tuesday, March 19, 2024 3:25 PM

Centering issue with image on test page

Settings...Size: Large | max width 1220... - the image is reduced size and centered on page

## Archives

Settings...Size=Full Size, Style...Width = 1896, Align setting doesn't matter - the image shows as being larger, but the image is shifted to the right
